MK MAC

MAC Mechanical Keyboard

The MK-Mac is a mechanical keyboard designed specifically for Mac, offering a harmonious combination of comfort and beauty. The bead blasted aluminum finish exudes elegance while underlining Apple's minimalist aesthetic. Crisp white LEDs ensure key inscriptions vividly stand out, increasing visibility regardless of ambient light. Tactile and non-clicky in design, the MK-Mac will take computing on a Mac to a whole new level.

**THANK YOU FOR PURCHASING THE MK-MAC BACKLIT
MECHANICAL KEYBOARD AND WELCOME TO THE AZIO FAMILY!**

WARRANTY

Azio Corporation warrants only to the original purchaser of this product, when purchased from an Azio authorized reseller or distributor, that this product will be free from defects in material and workmanship under normal use and service for the length of the warranty period after purchase. Azio reserves the right, before having any obligation under this warranty, to inspect the damaged Azio product. Initial shipping costs of sending the Azio product to the Azio service center in Los Angeles, California, for inspection shall be borne solely by the purchaser. In order to keep this warranty in effect, the product must not have been mishandled or misused in any way.

This warranty does not cover any damage due to accidents, misuse, abuse or negligence. Please retain the dated sales receipt as evidence of the original purchaser & date of purchase. You will need it for any warranty services. In order to claim under this warranty, purchaser must contact Azio and obtain an RMA # which is to be used within 15 days of issuance and must present acceptable proof of original ownership (such as original receipt) for the product. Azio, at its option, shall repair or replace the defective unit covered by this warranty. This warranty is non-transferable and does not apply to any purchaser who bought the product from a reseller or distributor not authorized by Azio, including but not limited to purchases from internet auction sites. This warranty does not affect any other legal rights you may have by operation of the law. Contact Azio through email, chat, or through one of the technical support numbers listed for warranty service procedures.
