

AVENTA

METAL EXOSKELETAL FRAME
BACKLIT GAMING MOUSE

STORY

The innovative AZIO Aventa gaming mouse combines an unmistakably bold design with the newest technology in optical sensors. Fused with a robust alloy exoskeletal frame, metallic anodized mesh, and dynamic cut lines, the AZIO Aventa is a work of art inspired from aeronautics and auto sports. Its ergonomic body is carefully sculpted to achieve the most comfortable grip—transforming every motion into exhilaration. The AZIO Aventa is an emotion accelerator, activator, and enforcer. Its refined designs are created with one goal at heart: To inspire confidence and elevate performance.
