

## R.C.M.P

THE RETRO CLASSIC MOUSE PAD

---

### STORY

AZIO presents its latest interpretation of the mouse pad, a staple piece in its beloved Retro Classic collection. Staying true to minimalist design philosophy, the R.C. mouse pad is stripped of the excess in order to accentuate the integrity of the material. The result is an elegant and enduring accessory made from imported vegetable-tanned leather and embossed with an AZIO logo insignia. Designed to weather with age, the R.C. Mouse Pad is offered in black and nude colorways.
